Activity Title:

"Data Privacy in Real Life: Case Study and Compliance Plan"

Group Composition:

5 members per group

Objective:

To apply the principles and rights under the **Data Privacy Act of 2012 (RA 10173)** by analyzing a real or hypothetical data privacy issue and developing an organizational compliance plan to prevent similar incidents.

Instructions:

1. **Select a Case:**
   - Choose **one real-life or fictional privacy issue** (e.g., COMELEC data breach, Facebook–Cambridge Analytica, school data leak, hospital data sharing, etc.).
   - Or similar case
   - The case must involve **a violation or threat to data privacy**.
2. **Analyze the Case:**
   - Describe **what happened** (summary of the incident).
   - Identify **which Data Privacy Act provisions** were violated.
   - Explain **who were affected** and **how**.
   - Discuss **how it was resolved** or **how it should have been handled** according to RA 10173 and NPC guidelines.
3. **Develop a Compliance Plan:**
   - Suggest **preventive measures** an organization can take to comply with RA 10173.
   - Include at least **three privacy principles** (e.g., consent, transparency, data minimization).

- Propose **ethical and technical safeguards** (e.g., training, encryption, breach reporting).

4. **Output Format:**
   - Create a **5–7 slide PowerPoint presentation** or **1-page infographic summary**.
   - Include your **group name, members' names, and references** (APA 6th/7th edition).
5. **Presentation:**
   - RECORDED VIDEO to be submitted in our LMS (5–7 minutes).
   - All members must have a speaking role.
